years ago, during which I had never thought of sitting in the first row
to answer your question. But throughout the years, my gradual
improvement in English and your modest pragmatism have always been
giving me much confidence in myself. Your perseverance with your
pragmatism and professionalism are always reminding me of working
hard with a clear heart.
Once again, thank you for your instruction in the past
three years. I wish you and your family all the happiness in
the world. I am looking forward to
seeing you again in the 5th gathering. But,

Dear Mr Chan,

You always go above and beyond
what is required.
No wonder you're appreciated.

You have always been...
Persisting with your zeal for teaching
Creating miracles for every seedling
United as the English-phobia's antidote

「多謝你每次用心準備課堂，親自操刀寫範文，實在對我大有幫助!」 -- 阿晴

Unarguably as true bonus - how appreciate you the more!
sincerely,

Dear P Chan sir,
22nd December, 2013
Merry Christmas and Happy New Year!
It has been more than a year since I have
become your students. Every time when I enter
the classroom, your smile and confidence bloom
my mistakes in my writings; it is you who teach
me different ways in understanding articles.
It hasn't been long that I sit at the first
few rows to answer your questions. Your diligence,
your persistence and your conscience will continue

best wishes,
Best wishes,
your 100th anniversary
