Dear Mr. Chan,

**Pragmatism and professionalism
making hard with a clear heart!]** -- **Jimmy**

The last lesson reminds me of the first lesson I had one year ago, during which I had never thought of sitting in the first row to answer your question. But throughout the years, my gradual improvement in English and your modest pragmatism have always been giving me much confidence in myself. Your perseverance with your pragmatism and professionalism are always reminding me of working hard with a clear heart.

Once again, thank you for your instruction in the past three years. I wish you and your family all the happiness in the world. I am looking forward to seeing you again in the 5th gathering.

Best,
2017 DSE student

but it is almost impossible when I don't have them. I have been thinking how I have forgotten. In this year, I am lucky to have two, but neither - in this world
or my English teacher, whenever I may go in my life, I will always remember that I had an excellent guide in the form of a teacher, Tom. I joined your class in the last academic year of my DSB postcard.

Although it's not a long period of time, I really enjoyed the lessons.

We may not say this every day, but your inspirational words are like beautiful fireworks that have been etched in my heart and will forever
