- The scientists celebrated a major \_\_\_\_\_ when they discovered a groundbreaking cure for the disease.
- The police urged any \_\_\_\_\_ who witnessed the accident to come forward with information.

三．閱讀理解：細心閱讀文章，把答案填在橫線上，選擇題 則在○內塗黑。

In a quaint town nestled between rolling hills and meandering streams, life unfolded like the pages of a cherished storybook. Each sunrise painted the sky in hues of warmth, casting a gentle glow upon cobblestone streets. Laughter echoed through the air as children played in the meadow, their joy infectious. In the town square, a bustling market came to life, its stalls adorned with vibrant produce and the aroma of freshly baked bread wafting through the air. Residents shared tales of generations past, weaving a rich tapestry of community. This idyllic haven embraced the simple beauty of existence, a haven where time seemed to slow, and every moment held the magic of a timeless tale.

1. What is the atmosphere of the town described in the passage?
  - A) Busy and chaotic
  - B) Serene and picturesque
  - C) Modern and industrial
  - D) Remote and desolate
